Minutes of Meeting of ISRS-AC EC on 13th January 2023

A meeting of Indian Society of Remote Sensing, Ahmedabad Chapter (ISRS-AC) Executive Council (EC 2022-24) was organized on 13th January 2023 from 16:30 to 18:30 hrs through in-person assembly at SAC Ahmedabad. The names of participants is given in Appendix-A.

Following major matters were discussed and decisions were taken

Social Media presence of ISRS-AC

It was discussed in the meeting to have social media presence of ISRS-AC and its various activities. To begin with, it was decided to have Facebook and LinkedIn account of the ISRS-AC. It was proposed that Dr. Alpana Shukla will handle the LinkedIn account and Dr. Shaily Gandhi will handle the Facebook account.

Further, discussion about content to be provided on the social media platform. It was decided to post flyer/brochure, pictures etc. of the events, out-reach programs held by ISRS-AC.

Discussion and Decision related to ISRS-AC website (isrsac.in)

Website (isrsac.in) is still unsecure in the internet domain and the necessary actions shall be taken up to make it secure. Smt. Arpita Gajria was identified as focal person for website related activities and to take upon matter related to SSL certification of the ISRS-AC website.

Regarding content to be hosted on website it was decided to put, Signature Newsletter, AGM meeting agenda, ISRS-AC activities, photos, general information related to Remote Sensing, Planetary Science and Astronomy happening Worldwide.

Contribution from senior members for content to be hosted on the website would be welcomed.

Working on the outreach of ISRS AC

ISRS-AC would work on an outreach plan to spread awareness amongst school and college students as well as citizens. It was discussed to hold outreach activity in the third week of February tentatively for college. ISRS-AC EC members were asked to prepare for the same accordingly.
